

Call for expression of Interest for volunteer representatives of Eurodoc in ISE working groups

About

Eurodoc is a member of the Initiative for Science Europe and thus actively participates in its working groups. In the 2024/2025 term Eurodoc would like to facilitate the participation of more early career researchers in the work ISE, and thus we call for expression of interest from ECRs in participation in the following working groups.

1-2 members of WG Horizon Europe

The objective of this Working Group is to elaborate ISE positions on the Framework Programme for Research and Innovation (R&I), Horizon Europe (HE), and to monitor it, as well as to work on the future 10th Framework Programme. Read more about the working group and its work plan [here](#).

1-2 members of WG Research's Careers

The objective of this Working Group is to define positions on key needs for most adapted framework conditions for the career of Researchers and their monitoring and follow-up. Read more about the working group and its work plan [here](#).

About the work

- As a representative of Eurodoc you are expected to familiarise yourself with Eurodoc's opinions.
- As a representative of Eurodoc in CoARA you are expected to collaborate with the other representatives from Eurodoc.
